Professional Summary

Motivated Information Technology undergraduate with hands-on experience in Full Stack Web Development and UI/UX Design through multiple internships. Proficient in Java, React.js, Node.js, JavaScript, HTML, CSS, MySQL, and REST APIs. Strong knowledge of Data Structures, Algorithms, OOP, and DBMS with a passion for developing scalable web applications and solving real-world problems.

Technical Skills

Programming Languages: Java, Python, C++, JavaScript

Web Technologies: HTML5, CSS3, React.js, Angular, REST APIs

Database: MySQL, SQL, DBMS

Core Concepts: Data Structures, Algorithms, OOP, Software Engineering

Tools: Git, GitHub, VS Code, Linux, Figma

Internship Experience

UCS SYSCOS LLP

Sep 2024

UI/UX Designer Intern

Erode, Tamil Nadu

- Designed 12+ wireframes and interactive prototypes using Figma for web and mobile applications.
- Improved interface usability by implementing user-centered design principles, reducing navigation complexity by approximately 25%.
- Collaborated with developers to deliver 5+ responsive UI screens following modern design standards.

AHATTRICKZ INFO TECH

Jun 2025 – Jul 2025

Full Stack Web Developer Intern

Kumarapalayam, Tamil Nadu

- Developed 6+ responsive web pages using HTML, CSS, JavaScript, and Bootstrap.
- Integrated frontend modules with REST APIs, reducing manual data entry and improving application performance.
- Resolved 20+ frontend bugs and optimized UI responsiveness across desktop and mobile devices.
- Worked in an Agile team environment and completed assigned tasks before project deadlines.

PRODIGY INFOTECH

Jan 2026 – Feb 2026

Web Development Intern

Remote

- Completed 5 real-world web development projects using HTML, CSS, JavaScript, and React.js.
- Built responsive user interfaces compatible with mobile, tablet, and desktop devices.
- Improved code quality by applying reusable components and modern JavaScript practices.

Achievements

- Peps Mattress Production Management Dashboard** *React.js, Node.js, Express.js, JavaScript, MySQL*
- Displayed real-time production quantity, mattress size, machine status, and shift-wise reports.
- Solved 400+ coding problems on LeetCode and HackerRank covering Data Structures and Algorithms.
- Built and deployed multiple web applications using Html,Css ,Java Script and MySQL, demonstrating responsive UI design, REST API integration, and database management skills.

Certifications

- Earned NPTEL certification in Programming in Java with strong knowledge of OOP, Collections, Exception Handling, and Java application development.
- Big Data Computing – NPTEL: Learned fundamentals of big data processing, distributed computing, and data analytics.
- Java, Python, C++ – HackerRank: Certified in programming fundamentals, logical thinking, and problem-solving skills.
- Participated in Hackathon at KPR Institute of Engineering and Technology and collaborated on solving real-world engineering challenges.
- Generative AI Workshop – PSG Tech: Explored generative AI concepts, AI tools, and practical applications.

Education

Nandha College of Technology

2023 – 2027

Bachelor of Technology - Information Technology (CGPA: 7.9/10)

Erode, Tamil Nadu

Government Boys Higher Secondary School

2021 – 2023

Higher Secondary Education (80.6%)

Kumarapalayam, Tamil Nadu
